Dear Colleagues and Friends,

It is a great pleasure for us to invite you to attend the Symposium on Horticulture, Food and Environment – Priorities and perspectives, that will take place in Craiova, Romania on 29th-30th October 2020.

The Symposium is getting established as an interdisciplinary forum within horticulture, food, biology and environment sciences providing opportunities for exchange of knowledge, expertise, ideas and great networking.

A wide array of scientific areas such as biodiversity, breeding, physiology, biotechnology, post-harvest technology, food quality and safety, biology, plant and environmental protection, ornamentals, landscape and urban environment etc. merge together and cross with recent developments in fruit, vegetable and ornamental crops.

The conference welcomes the scientists, researchers, teachers and students as well as professionals of the horticulture, food industry, biology and environment to establish new collaborations and contacts, to present and discuss their findings. We are looking forward seeing you in Craiova!

On behalf of the organizing committee,
Dean,
Prof.dr.habil. Cosmulescu Sina
