Dear Colleagues and Friends,

It is a great pleasure for us to invite you to attend the Symposium on Horticulture, Food and Environment – Priorities and perspectives, which will take place in Craiova, Romania on 13th - 14th October 2022.

The Symposium is getting established as an interdisciplinary forum within horticulture, food, biology and environment sciences, providing opportunities for the exchange of knowledge, expertise, ideas and great networking.

A wide range of scientific topics will be addressed, such as biodiversity, plant physiology and biology, biotechnology, post-harvest technology, food quality and safety, plant and environmental protection, landscape architecture, urban environment, etc.

The conference welcomes the scientists, researchers, teachers and students as well as the professionals in horticulture, food industry, biology and environment, to establish new collaborations and contacts, to present and discuss their findings.

On behalf of the organizing committee,

Dean,
Prof. dr. habil. Cosmulescu Sina
